Goals of Digital Marketing

Sizzle

Build the Online Brand

- Visitors will remember you, revisit and share with friends

•KPIs

Sell

Grow Sales or generate Leads

- Conversions are a measurable impact on sales

•KPIs

Speak

Engage the visitor in a Dialogue

- Visitors who engage tend to support & evangelize your offering

•KPIs

Serve

Add Value over non-online offerings

- Customer satisfaction is the key to business success

•KPIs

Save

Save Costs

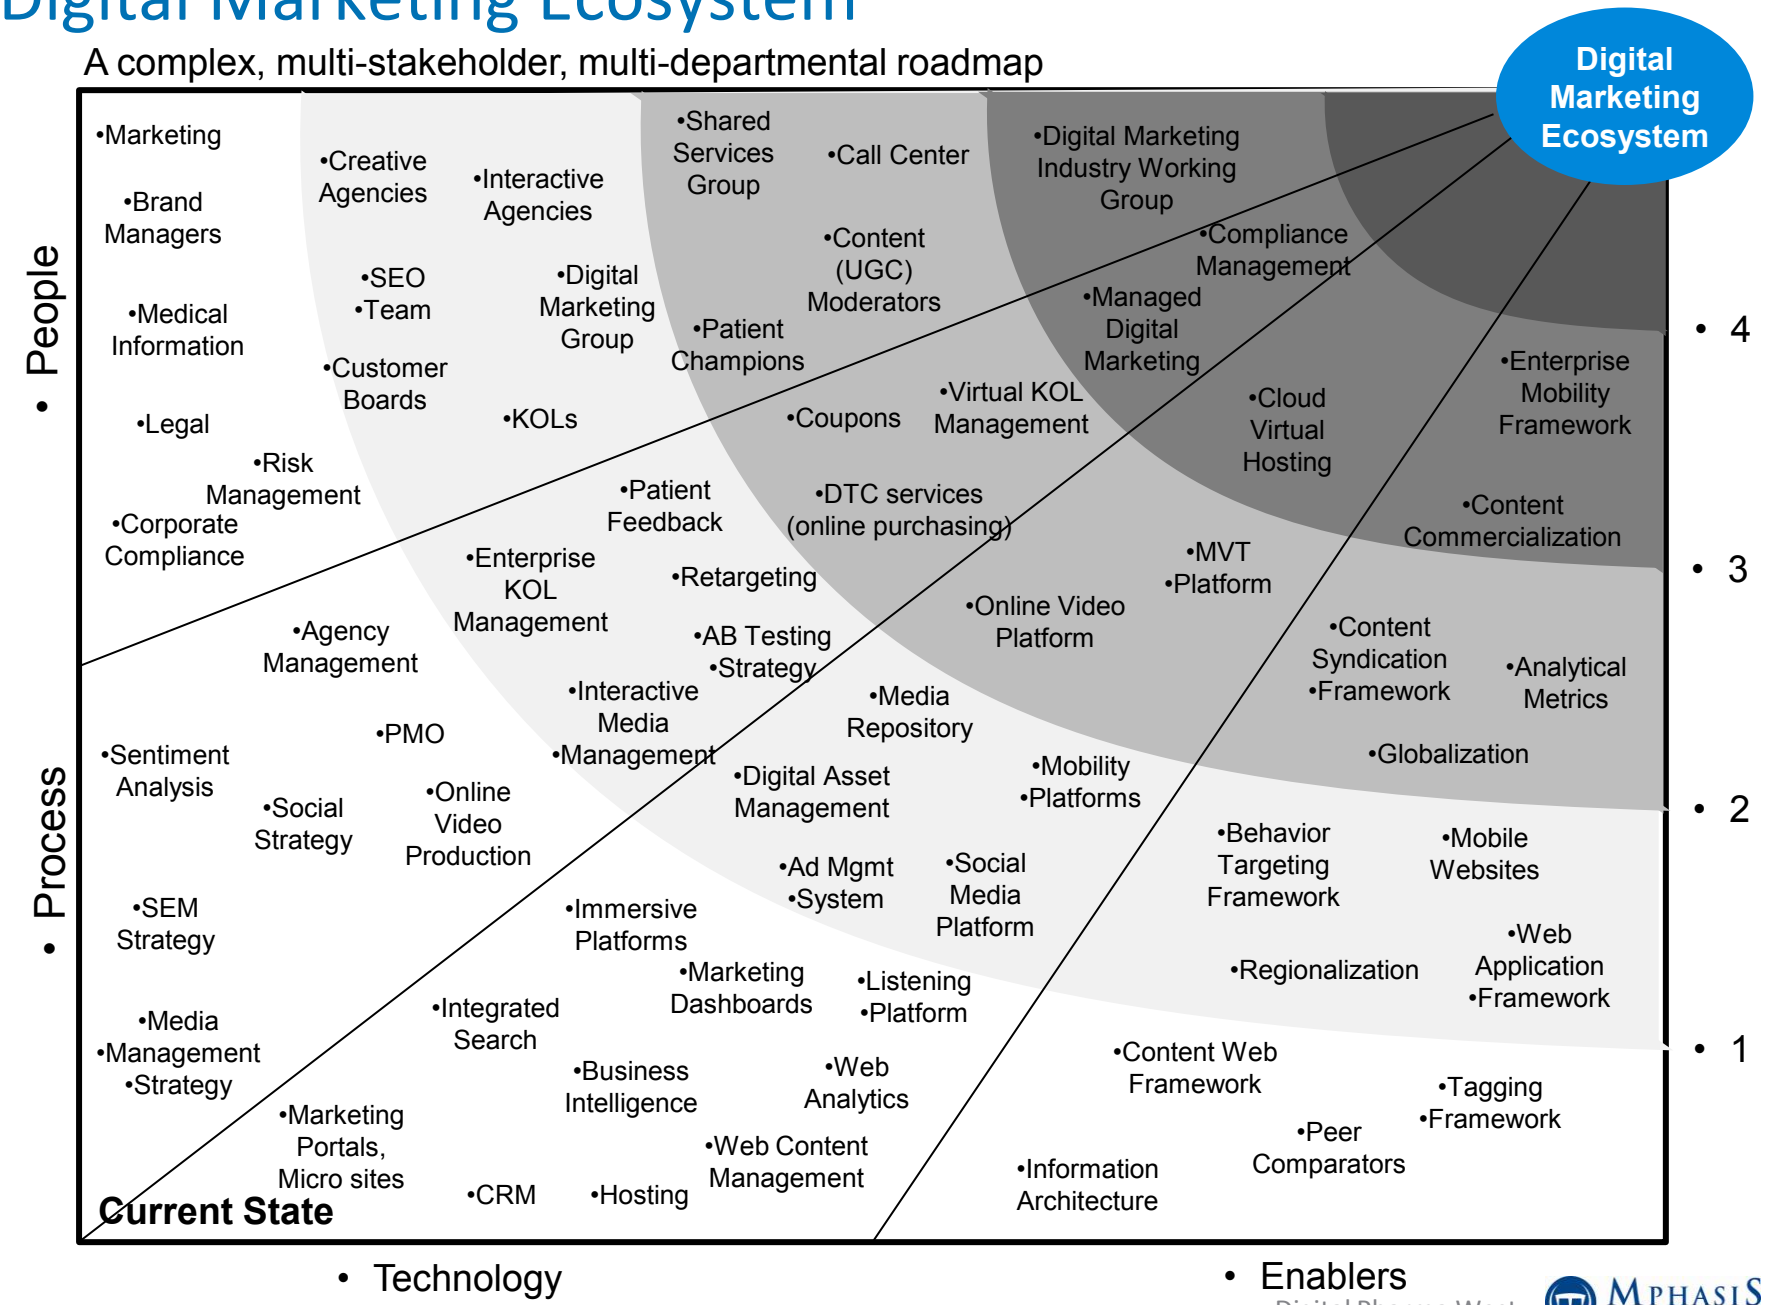
- Provide services using more cost effective online channel

•KPIs

•Smith, P.R. and Chaffey, D. (2001) eMarketing eXcellence: at the heart of eBusiness. Butterworth Heinemann, Oxford, UK.

Digital Marketing Ecosystem

A complex, multi-stakeholder, multi-departmental roadmap



Building Interactive Brand Ecosystems

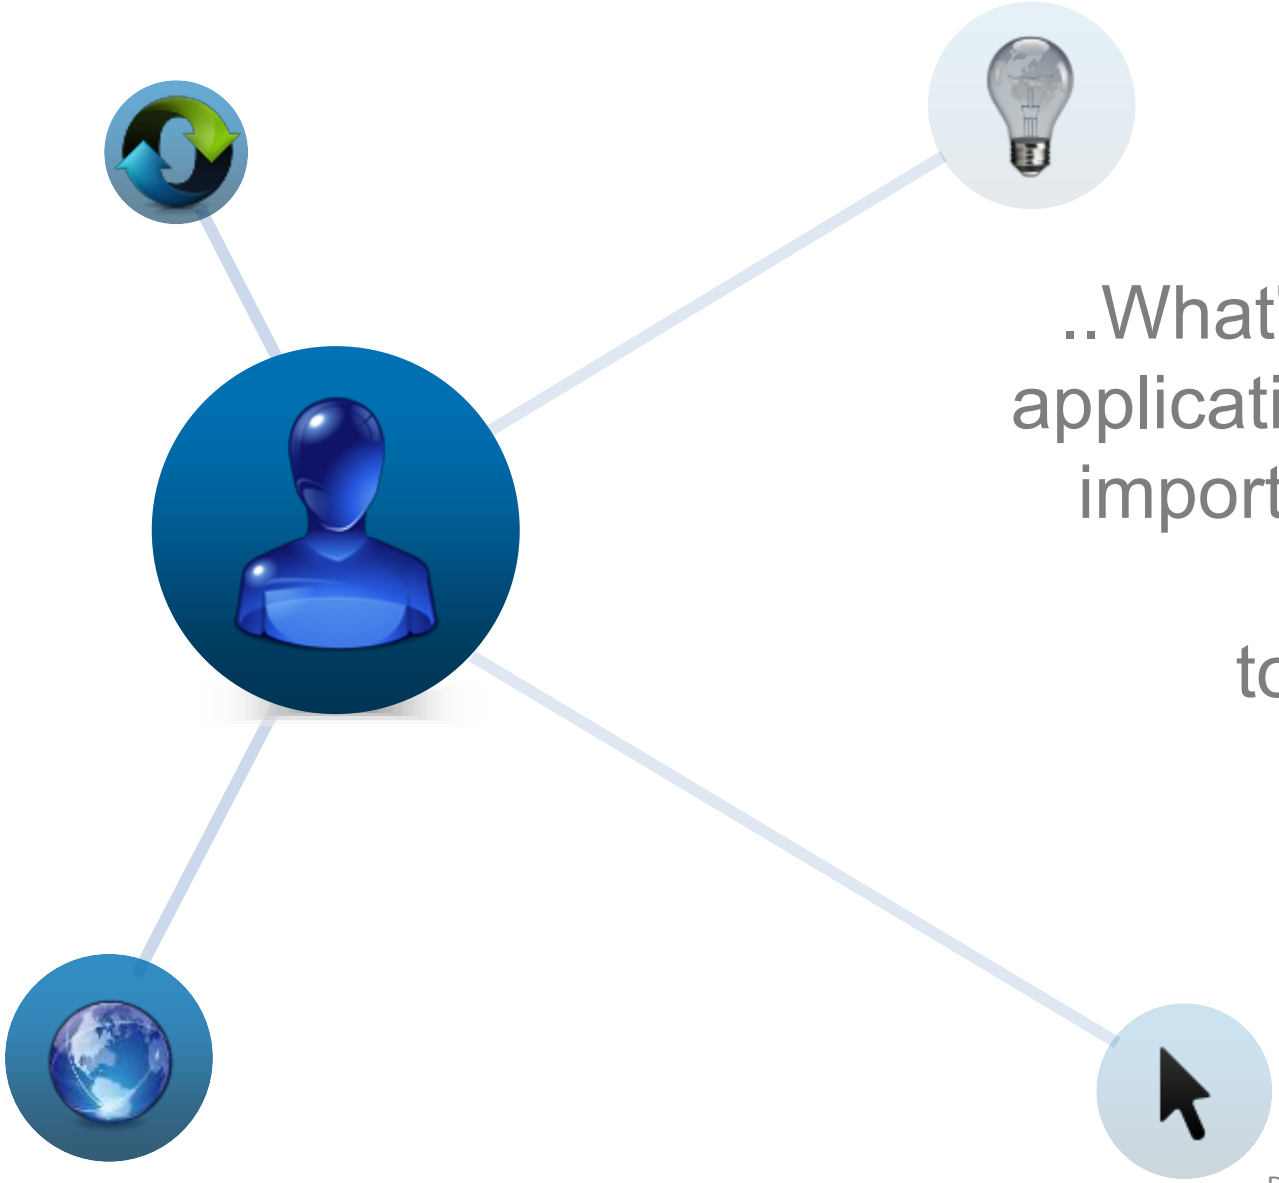
MPHASIS an HP company

Everyone uses digital applications on the Internet, but…



..What's inside the application is not as important as what it means to the people using it!

MPHASIS an HP company

MphasiS 360 Degree User Experience Design

Team of over 270 professionals worldwide, comprising:

- User Experience Specialists
- Content Writers
- Visual Designers
